

GJW ABERSOCH DINGHY WEEK

Dear Competitor

Thank you for your recent entry to the **GJW Abersoch Dinghy Week 2018**

PLEASE NOTE RACING ON SUNDAY STARTS AT 10:00 AM

Please use this letter of confirmation as your pass which will gain you free access to the main beach in Abersoch. It is imperative that you go directly to Golf Road, and do not drive to the Yacht Club with your trailer, as the congestion along our lane will become impassable. As you enter the main part of the village leave W & G Williams Garage on your left and go up the High Street, keep left as it merges into the Sarn Bach Road. Take the next left, with the Wylfa Hotel on the corner into Golf Road and proceed to the bottom of the hill. **(Sat Nav post Code LL53 7EF)**

The **Beach Patrol** personnel will do everything to assist you on arrival at the beach. They can be contacted **on 07831 216043** so that you can verify accessibility to the beach at specific times of the day (beach crowdedness and tidal state will be the biggest factor)

Beach Control would like to highlight that competitor's vehicles are only authorised to access the beach to the left of the main slipway to **'drop off'** their boat. There is no necessity to allow vehicles to the left of the main slipway, as technically this is in direct breach of the beach bylaws; it is simply to make life easier for competitors who would otherwise need to walk their boat down the beach.

Beach Control would also like to notify competitors that the newly constructed **'trailer park'** on Lon Golff is for the use of the general public who launch from the main beach and not for competitors trailers. Vehicles are also prohibited from parking in the trailer park.

Due to the sheer volume of administration now involved in this event, we would be grateful if you could register on the Saturday, although the Registration Office will be open briefly on the Sunday for any latecomers.

In conclusion we wish you a safe journey to Abersoch and we are keeping our fingers crossed for the more traditional Llyn Peninsula summer, with sun and sufficient wind to fill your sails. A full evening entertainment programme has been planned and we look forward to a fabulous week.

Yours sincerely
The SCYC Dinghy Week Team
