- 6) Risk Statement

Rule 3 of the Racing Rules of Sailing states: 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'

Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the Event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the Event;
- b) They are responsible for the safety of themselves, their crew, their boat and their property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the organizer does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this Event referred to in the Sailing Instructions and to attend any safety briefing held at the venue;
- h) They will not participate in the Event if under the undue influence of alcohol, drugs or if otherwise unfit to participate;
- i) [For off shore races] They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand

such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew:

- j) They will inform the Organiser if there have been any changes to the information provided on the Entry Form at the time of the Event.

7) Health & Safety

I have read, understood and will abide by SCYC's Health & Safety Policies and Procedures as summarised in Appendix 1 to the Notice of Race. SCYC's Health and Safety Policy is available for inspection via the Office.
