Notes	
*	Membership category definitions are set out in full in the Club's Rules (save for Single Parent Family and Multi-year which have been adopted informally as additional membership categories)
**	Subscription is per year for duration of multi-year, payable up front as a total sum (for example a five year multi-year subscription from the age of 21 would be a one off payment in 2021/2 of £355) - only available to individuals who have been included in a family membership and have reached 21 so are no longer eligible to be part of that family membership
***	Veteran membership is only available for those over 65 with 25 years' continuous membership
