

ABERSOCH DINGHY WEEK

Dear Competitor

Thank you for your recent entry to **Abersoch Dinghy Week 2022**.

Please use this letter of confirmation as your pass, which will gain you access to the main beach in Abersoch. It is imperative that you go directly to Lon Golff (Golf Road), and do not drive to SCYC with your trailer, as the resulting congestion will make Lon Traeth (Beach Road) impassable. As you enter the main part of the village leave W & G Williams' Garage on your left and go up the High Street, keep left as it merges into the Sarn Bach Road. Take the next left into Lon Golff (Golf Road) and proceed to the bottom of the hill. For a photo guide [click here](#)
(Sat Nav Postcode LL53 7EF)

Gwynedd Council's Beach Patrol / Maritime Unit personnel ("Beach Patrol") will assist you on arrival at the beach. If arriving on the Saturday, there will also be members of the ADW team to help. Beach Patrol can be contacted on **07831 216043** so that you can verify accessibility to the beach at specific times of the day (beach crowdedness and tidal state will be the biggest factor in this context). The barrier allowing entry to the beach opens at 09:00 and closes at 20:00. **Please note that racing starts on Sunday morning, so boats really need to be dropped off onto the beach on the Saturday.**

Beach Patrol have asked SCYC to highlight that competitors' vehicles are only authorised to access the beach immediately adjacent to the end of the main slipway to "**drop off**" their boat. The boats will then need to be walked down the beach to the left of the slipway. If you have a double/triple stacker, then the Beach Patrol can give assistance.

Beach Patrol have also asked SCYC to notify competitors that the trailer park on Lon Golff is for the storage of **road trailers only**. Vehicles must not park in the trailer park, and trailers are left at owners' risk.

Due to the sheer volume of administration now involved in this event, we would be grateful if you could register on the Saturday, although the Race Office will be open briefly on the Sunday for any latecomers.

We wish you a safe journey to Abersoch and will be keeping our fingers crossed for a traditional Llŷn Peninsula summer, with sun and sufficient wind to fill your sails. A full evening entertainment programme has been planned, and we look forward to welcoming you to a fabulous week.

Best wishes

Abersoch Dinghy Week Team
