the sea.

The ethos of the CRF is to welcome and help less experienced sailors. Experienced sailors and parents are asked to always assist less experienced sailors at this event with tasks such as rigging, launching, and general help and advice about kit, etc.

Racing & Training will be provided for:

- Inexperienced and less experienced sailors.
- Those who are just learning to sail.
- Those taking part in their first event.

Racing/race training will be provided for a mixed class, off the beach round a short course or courses to be laid inshore of the moorings.

The Races will be governed by the Racing Rules of Sailing, the prescriptions of the National Authority and the Sailing Instructions. The Event is designated Category C.

- 8) Risk Statement

Rule 3 of the Racing Rules of Sailing states: 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'

Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the Event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the Event;
- b) They are responsible for the safety of themselves, their crew, their boat and their property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the organizer does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to this venue or this Event referred to in the Sailing Instructions and to attend any safety briefing held at the venue;
- h) They will not participate in the Event if under the undue influence of alcohol, drugs or if otherwise unfit to participate;
- i) [For off shore races] They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew;
- j) They will inform the Organiser if there have been any changes to the information provided on the Entry Form at the time of the Event.
