Notes	
*	Membership category definitions are set out in full in the Club's Rules (save for Single Parent Family, which has been adopted informally as an additional membership category).
**	Multi-year subscription is a one off lump sum payment for a five year Lower Young Single membership. The subscription is only available to individuals who have previously been included in a family membership and have reached 21 (so are no longer eligible to be part of that family membership). Those wishing to take up this option must notify the Club before 1 January in the subscription year following that in which they reach their 21st birthday, otherwise they will just be standard Lower Young Single members.
***	Veteran membership is only available for those over 65 with 25 years' continuous membership
