RACE	TROPHY
Season’s Best	The Captain’s Cup

SPECIAL CLUB TROPHIES

ODDIE PLATE

Awarded to the Club yacht deemed to have made the best or most interesting performance offshore under sail or power. Entry for this award is made by submission of a ship’s log to the Club Captain prior to the prize giving in August.

THE CAPTAIN THOMAS WILLIAMS SEAMANSHIP TROPHY

Awarded annually to the Club member who, in the opinion of the Flag Officers, has shown outstanding seamanship or sportsmanship during the season.

THE CARDIGAN BAY CUP

Awarded annually to any junior member (17 years and under) who, in the opinion of the Flag Officers, has shown outstanding service in the interest of the Club during the season.

RACE OFFICER (RO) RESPONSIBILITIES

1. Starters

The RO is responsible for finding the necessary starters, minimum 2 and 3 in August and on days with more than 3 races per morning or afternoon. It should be possible to man the bridge with only one starter when the light system is used.

2. Inability to Act

Any RO or Starter who is unable to act is personally responsible for finding a substitute. Club staff will only assist on the bridge in the case of an emergency, if willing, and should not be asked to stand-in as RO.

Any RO who races instead of carrying out their duty will automatically cause the boat on which they are racing to be disqualified unless a suitable substitute has been appointed by them, other than Club staff.

3. Time of Attendance

The RO and Starters should be on the lower deck at least ONE HOUR before the start of the first race for which they are responsible. The RO and Starter duty is normally for a morning or afternoon unless otherwise stated.

4. Checking Entry Qualifications

Before declaring the result of any race, the RO's shall satisfy themselves that all entry fees for that race have been paid by the boats starting and that the boat owners are not in arrears with race entry fees for any previous race. This can be checked against the list in the office.

5. Disqualification by the RO

The RO has the power to disqualify a boat from the race being sailed without a hearing in the following circumstances. This is in addition to those specified in the RRS.

5.1 Competitors failing to comply with the Club Rules regarding personal buoyancy as required by Classes 4,6,7 & 10 under SI 5.1.

5.2 Where the owner of any boat entered for a race has not paid the entry fee for that race / series, or is in arrears with race entry fees for any previous race, under SI 4.2.

5.3 Boats failing to sign-on or sign-off, under SI 5.4.

5.4 Boats using radios to gain an advantage or interfere with the running of a race, under SI 21.

6. Patrol Boats

It is the duty of the RO to ensure that at least one Club safety boat is allocated to dinghy racing events.

If the wind strength has reached, or seems likely to reach, Force 4 or more, Club safety boats should be allocated for safety duties on the basis of one patrol boat per 8 starters.

If circumstances prevent the RO from complying with this requirement then the race or races involved must be postponed or cancelled.

INFORMATION FOR BOAT OWNERS

1. Moorings

For the common benefit of all owners of boats on moorings, the Club strongly recommend the standardisation of the lengths of up-and-down chains as follows:

- Two anchor moorings - 10 fathoms of chain disregarding strop;
- Ground legs of two anchor moorings to be at least 15 fathoms; and
- Block Moorings - at least 15 fathoms disregarding strop, plus a back-up anchor.

Owners are asked to co-operate by conforming to the above criteria.

2. Care of Boats on Moorings

Please note that neither the Bosun nor any other member of the Club staff, has any responsibility for members' boats on moorings and they must not be asked in any circumstances, to accept such responsibility. They will, of course, do all in their power to protect them in exceptional circumstances, as is considered possible by them at the time.

3. Distress Signals

All boats on moorings must either carry a supply of both types of daylight distress signal (Orange Smoke for "SOS" and White Flares to draw attention where there is no immediate danger) or a VHF Radio. Boats sailing at night must also carry Red Distress Flares for "SOS" use. Please do not use Orange Smoke or Red Flares unless there is danger to life or limb.

4. Radio Watch

A VHF radio station, Call Sign "SCYC", is based at the clubhouse and is normally listening out on Channel M1 (37) during normal office hours. At certain times patrol boats will be in radio contact, again on Channel M1 (37).

HM Coastguard at Holyhead is listening at all times on Channel 16
